1. COOKIES AND OTHER TRACKING TECHNOLOGY

a) **Cookies.** Like many websites, we use “cookies” and similar technologies to help ensure your account security is not compromised, collect additional website usage data and to improve our Services. For example, cookies help us with things like authenticating your account and remembering your username, understanding how you are interacting with our Services, and making improvements based on that information. A cookie is a small data file that is transferred to your computer or mobile device. Though most web browsers automatically accept cookies, some browsers’ settings can be modified to decline cookies or alert you when a website is attempting to place a cookie on your computer. You are free to decline cookies, however, some Services may not function properly if cookies are disabled.

b) **Log Data.** Our servers automatically record information when you interact with our Services, (the “*Log Data*”). This Log Data may include your IP address, browser type, operating system, the referring web page, pages visited, location, your mobile carrier, device information (including device and application IDs), search terms, or cookie information. We also receive Log Data when you click on, view or interact with links on our Services. We use Log Data to make inferences, like other products and services you may be interested in, and to help personalize the content and features you experience on the Venturebase platform. We keep Log Data as needed for the purposes described in our Privacy Policy and various agreements between you and us, such as our User Agreement.

c) **Site Analytics.** We may use automated devices and applications, such as Google Analytics, to evaluate usage of our website and Services. We also may use other analytic means to evaluate our website and Services. We use these tools to help us improve our website, performance and user experiences.

d) **Supporting Do Not Track.** We honor the Do Not Track browser option to give you control over how your website visits are used to personalize your experience.

2. CHANGES TO THIS POLICY

a) **Change of Ownership.** If we are involved in a reorganization, merger, acquisition or sale of our assets, your information may be transferred as part of that deal. We will notify you (for example, via a message to the email address associated with your account) of any such deal and outline your choices in that event.

b) **Updates to this Policy.** We may revise this Policy from time to time, and will post the most current version on our website. If a revision meaningfully reduces your rights, we will notify you.
